

Dear **Mr. Raven E. Mott**,

**Congratulations!** We are pleased to inform you of your **UNCONDITIONAL** admission to Virginia State University to pursue **Computer Science, Master of Science** for the **Fall 2026** semester.

Contact your academic department immediately for assignment of an academic advisor before registering for classes:

<https://www.vsu.edu/gradstudies/program-contacts.php>.

After your initial academic advisement session, register for courses by following the Banner registration instructions on the VSU website: <https://www.vsu.edu/registrar/registering-classes.php>

Refer to the **Academic Calendar** to determine when registration is available during any given semester, as well as other important academic dates and events: <https://www.vsu.edu/academics/academic-calendar.php>

Refer to the **Academic Catalog** for official academic courses, programs, and standards for student progress and retention: <https://catalog.vsu.edu/graduate/>

You have been assigned the following unique student identification number for Virginia State University (VSU): **V00681202**

Your **V#** (student identification number) is required to access VSU technology. Please be prepared to provide it whenever conducting business with VSU.

Visit <https://www.vsu.edu/techservices/> or (804) 524-5210 for technology related questions.

If you have any questions, please contact the Office of Graduate Admissions at (804) 524-5984.

Once again, congratulations. On behalf of President Makola M. Abdullah, the faculty, staff and students, we welcome you to the exciting world of graduate study at Virginia State University.

Sincerely,

Joseph J. Suber, Jr.

Director, Graduate Admissions
