Dear Student,

Thank you for your interest in the [CI Compass Fellowship Program](#). We have received your resume and complete application form. However, as of 10pm PT on 10/24/25, we are still waiting on your recommendation.

We will keep the Recommendation Form open until Monday, 12pm noon PT. Please reach out to your recommender to make sure they complete the form before then (they have received multiple emails from [virdone@isi.edu](mailto:virdone@isi.edu) with the details on how to do so).

Please reach out to [cicf@ci-compass.org](mailto:cicf@ci-compass.org) if you have any questions.

Sincerely,  
Nicole

Hi Nicole,

Thank you for the update. My advisor let me know that they never received the recommendation request—I may have entered the email incorrectly. The correct recommender information is:

Dr. Thomas Redpath  
[tredpath@vsu.edu](mailto:tredpath@vsu.edu)

Could you please resend the recommendation form to this address (and, if possible, copy me)? I apologize for my lateness and any inconvenience this may cause.

Thank you for your help.

Best regards,

Raven Mott

I just resent the letter. I also sent one on 10/17 and 10/22. It will have come from [virdone@isi.edu](mailto:virdone@isi.edu)
